An act relating to pupil safety.

LEGISLATIVE COUNSEL'S DIGEST

AB 1511, as introduced, De Leon. Pupil safety: interagency strategies.

Existing law, the Interagency School Safety Demonstration Act of 1985, states that the intent of the Legislature in enacting its provisions is to encourage school districts, county offices of education, law enforcement agencies, and agencies serving youth to develop and implement interagency strategies, in-service training programs, and activities that will, among other things, reduce school crime and violence. Existing law establishes the School/Law Enforcement Partnership and charges it with undertaking several efforts intended to reduce school crime, as specified.

This bill would state that it is the intent of the Legislature to enact legislation to authorize a school district to enter into a memorandum of understanding with a city attorney's office or district attorney's office to ensure the safety of its pupils.

Vote: majority. Appropriation: no. Fiscal committee: no.  
State-mandated local program: no.
